The Eighteenth Annual Assembly of The Churches of God Goes Down on the Pages of History as the Greatest Assembly in the History of the Church

The Opening or Introductory Service was on the Evening of October 31, Hundreds of Saints Had Gathered in From Various States and Foreign Fields, and With Glad Hearts Greeted Each Other, and the Presence of God was Known and felt From the Very Beginning

Never in the history of the Church in recent years has such harmony and spiritual unity prevailed.

All the speakers seemed to have a fresh anointing for the service they were to render.

The reports from the various states and foreign fields were marked with great enthusiasm.

Wave after wave of glory swept over the large congregation and the shouts of the saints fairly reverberated the air.

F. J. Lee was selected for General Overseer, J. S. Llewellyn for Editor and Publisher and J. B. Ellis, Superintendent of Education, the three composing the Executive Council for the ensuing Assembly year.

The financial reports were far beyond the expectations of many and the prospects bid fair for the coming year.

The First Wednesday Night And Thursday of the Eighteenth Annual Assembly

Mrs. Bertie Harrison

"Truly the Lord is in His holy temple" was the impression one received on entering the Auditorium on the evening of the opening of the 18th Annual Assembly of the Churches of God.

As Sister Heath took her place at the piano, Brother Haynes announced that wonderful old hymn which has blessed many hearts for ages past, "What a Friend We Have in Jesus." Oh how wonderful to hear almost every voice in that great audience singing of that precious Friend, who is truly a friend in every time of need, and then as we took up the strains of, "When My Name is Called in Glory I'll Be There," the very windows of heaven opened up and the showers of the latter rain began to fall upon us. Saints were dancing and shouting under the mighty power of God.

Our General Overseer, Brother F. J. Lee, then read a Scripture lesson, Psa. 99 and 100. He assured us that we were in perfect order when we praised the Lord, saying that we should serve the Lord with gladness and not with long faces. As he looked out over that great congregation he said, no one here tonight looks discouraged, the response, No! rang out through the whole Assembly. Oh hallelujah!

Thursday morning we went to the Auditorium early in order to get a seat, and as we entered the building the shouts and praises rang out all over the house. Saints were dancing and praising God and enjoying a feast of good things. At the appointed hour for opening the house was filled with people and the glory of God.

An inspiring song service and prayer was followed by the roll call of the states. Alabama with Brother Dunn as overseer and a large number of representatives, singing, "I'm Going That Way" and carrying a banner with these words. "So built we the wall and all the wall was joined together." As they sang the power fell and there was much shouting. Brother Dunn and others gave a report of their work which was enjoyed by all.

Arkansas came next with Brother E. C. Scarbrough as overseer and more representatives than ever before, carrying a banner on which was a picture of Christ walking on the waves, etc., and the words, "Christ is our pilot" and singing, "That Will Be a Happy Day." Brother Scarbrough gave an interesting talk and stated that during the upheaval the past year that Arkansas had not lost any preachers or churches, but had gained five churches and built one church house.

We then listened to a welcome address by Brother J. B. Ellis, who took for a text, "The Lord loveth the gates of Zion more than all the dwellings of Jacob." His address, which will

"Heaven Bound Train," with hoisted banners containing the word, "Loyalty", which means something in these days. Brother Payne, in the absence of Brother J. L. Stephens, (on account of the illness of his father) gave a good report, saying that the Church of God in Florida has always been loyal. He read the 133rd Psalm and stated that they had been having unity, and that God had been with them and promised never to leave nor forsake them. Brother Curry, with a goodly number, represented the colored work in this state. He said he was glad to be here to represent the colored churches. He stated that some people said the Church of God was going down, but he believed it was going up. They sang, "I Will Not Be Removed."

Oh how God poured out His Spirit as the different bands of delegates came forward with their enthusiasm and zeal for the Church of God which we all love so dearly, and hardly a state was represented without the power of God falling in a marvelous way.

Georgia came with a large delegation bringing great enthusiasm, singing, "When the Roll is Called up Yonder." Brother Latimer, the state overseer, and others spoke of the work in Georgia, and said that there was less division in this state than any other. He said that he had a noble consecrated band of workers, but they needed more as people all over the state are looking toward the Church of God and are hungry for her teachings. He said they had lost only one preacher this year and gained three.

The Illinois delegation assured us of their loyalty by singing, "I Have Started for the Kingdom and I Won't Turn Back." They came with fifteen delegates. Brother D. P. Barnett is the state overseer. They carried a banner with anchors in each corner, assuring us that they were anchored in the Church of God. He said that Illinois was one of the greatest fields and pled for workers saying, we will stand by any who come, both financially and spiritually.

Brother J. M. Viney and Brother Burk represented Kansas and sang "I'll Be Satisfied." Brother Viney said he was proud to represent the great state of Kansas, and he would not be satisfied until the Church of God could launch out and take the state for Jesus Christ.

Brother Burk stated that Kansas was a ripe field and we want men who will stand for the truth and are willing to die for the cause.

As the Kentucky delegation arose to represent this disturbed state, we saw in a moment that God had many precious loyal saints who had stood the storms and had come out victorious, shouting the victory. And it is said to be one of the largest delegations the state has ever had. They came up to the platform sixty strong, led by their overseer, Brother J. B. Ellis, singing, "As I Journey Through the Land". Brother Ellis spoke in the highest terms of the saints of Kentucky and commended their loyalty to the Church of God.

The banner carried by the delegates from Louisiana was very impressive, having on it the words, "Louisiana Confused." After they had explained how their state had gone through the cloud and many had been confused and discouraged they turned over a fly leaf and

brought to view the words, "Louisiana settled for the Church of God". "Love, truth and unity our motto." Brother Payne, their overseer, gave a report of the work and how it melted our hearts as he told of the wonderful way in which God had led them through the darkness into His marvelous light.

Brother E. Haynes with Sister Haynes and Brother and Sister Cross came representing Michigan. Each of them gave interesting talks and their theme was more workers for our state. Brother Haynes said that he had expected to have more representatives this year, but Satan hindered.

Next, the same overseer came forward bringing with him a large delegation from Mississippi, singing, "When We Meet to Part no More." They too sounded forth the Macedonian call, "Come over and help us."

Brother Viney from Missouri came with a small delegation but made us to realize that this salvation was worth while as they sang, "We Are Finding Glory all Along the Way." They carried a banner with a lamb in the Savior's arms and one at His side, impressing upon us the fact that Jesus is really caring for the lambs.

One of the largest delegations came from North Carolina, with Brother S. W. Latimer as overseer, singing, "Built on the Rock", which expressed their loyalty to the Church of God.

Three representatives came with Brother John Attey from the state of North Dakota. He made a plea for the Indians who are hungry for the gospel and calling for workers, also a school for the training of these precious souls.

The Ohio delegation came bringing with them great waves of glory. As they sang, "Beautiful Life," people all over the house were dancing, shouting and praising God. Brother W. C. Rembert, state overseer, made a strong plea for Home Missions, urging the church to finance the ministers in opening up new fields of labor.

Three representatives came bringing the message and Macedonian call from Oklahoma. Brother John Burk is the state overseer, and reports victory in many places.

South Carolina came carrying with them a banner with these words, "Lord we are following hard after Thee." Psa. 63:8, also "Christ our pattern." at the top was "Love and joy." Brother Culpepper, the state overseer, and others spoke of the work in this state and the Lord wonderfully blessed as they sang, "We'll Trade the Old Cross for a Crown."

Virginia, with Brother H. B. Simmons as state overseer, came with discouraging outlook in the natural, but as we are not looking to the natural, we believe God will work in a marvelous way this coming year.

Brother J. A. Davis made his confession, and said he was sorry he didn't take a stand sooner. He requested the people of the Assembly to forgive him.

The evening service opened with an inspiring song service and prayer, after which the roll call of the states was continued.

The Texas delegation was small, but they came with encouraging reports from the field of love and unity, standing foursquare for the Church of God. Brother Scoggins is state overseer. They sang, "I'm Going Home."

Brother O. R. Rouse stood alone in representing Colorado

WELCOME ADDRESS

J. B. Ellis

Feel at Home

It is our pleasure on this occasion to receive among us our beloved brothers and sisters of the various churches from their respective places of labor.

Your presence among us is indeed an honor highly appreciated by the Church of God at Cleveland, Tenn.

We feel a particular pleasure in having this great Assembly of the Churches of God here in our home town and church.

We are One

We are one large family and our brothers and sisters have come home for a few days. We are glad to see them again and have the privilege of enjoying the fellowship and love we have one for the other, and truly there is a fellowship and love existing between us that is not to be found anywhere else in this world. Oh! this love is

great and our fellowship is inexpressibly sweet.

Another year has passed with its conflicts, its battles, its sorrows and heartaches, as well as its victories. You with us have shared alike in all the problems we have had to meet. In our different and widely scattered fields of labor, we have often had that lonesome and homesick feeling and longed for the inspiration that comes with our home gathering.

God has been good to us, and we are all back home again, and that good old fashioned home feeling is filling our hearts with indescribable joy. I feel it now, and it is better felt than told.

Our Home Coming in the Skies

Only one thing we can think of that surpasses this occasion and that is our home coming in the skies. How much like this occasion is our final and great home gathering to that last great Assembly of all the blood washed and Spirit filled who have lived in all ages of the world.

When we started to this Assembly we left our business and everything behind. Between us and this place were many tressles, dangerous curves, dusty roads and dark tunnels. What cared we for the dangerous and wearisome journey? The thought of our home coming inspired us and we shouted in the dark tunnels and over the dusty roads, for we were coming home. And now that we are here, meeting and greeting our brothers and sisters, and enjoying this sweet fellowship, the toils of the road seem nothing for we are at the end of the way.

There is only one thing to mar the blessedness of this occasion and that is, many of our brothers and sisters who have hitherto met with us have fallen out by the way and are not here.

Many years ago we gave up all and started to the great Assembly in the skies. Our fare has been paid and our baggage checked to the great terminal station in heaven and we are on our way. Ever and anon we are plunged into dark tunnels, we are scarcely out of the dark tunnel to where we enjoy the fresh air and bright sunlight, till we are on a high tressle or dangerous curve and such is life; but what care we for the tunnels, the tressles, or the curves. This is the heaven bound train and Jesus is the conductor, our ticket calls for the great central depot in heaven, and we will get there if we don't get scared and jump off. Our friends and loved ones will meet us at the depot with cheers and loud acclamation of welcome. The reception and entertainment committees will take charge of us and conduct us to the great marriage supper of the Lamb at the head of that long! long!! table with its millions seated on either side.

I see an old man with long white flowing beard, and I wonder who he is, but I am so awed with the greatness of the occasion that I dare not open my mouth. Finally a voice clear and distinct calls out in reverential tone, Father Abraham, return

LETTER FROM CHINA

Tsinanfu Shantung, China.
August 14, 1923.

Dear ones of the Church of God in America, Love and Christian Greetings to you every one, from the least to the greatest:

This is just a little love note this afternoon. As it was just a year ago I was so busy making my arrangements to leave you all again for China, my thoughts have been with you much during these days, and the many dear ones we met while at home. Especially those who so kindly entertained us in their homes, aided us on our journey in so many ways, and helped me so sweetly with my dear little children.

Often I live over all those journeys again in my mind—the arrival in Seattle, Wash. with only a few dollars (which we soon lived out) and must pay our passage to Georgia, with other pressing needs and obligations. Those were such dark days. I shall not soon forget how dear little Joel would get us down to prayer many times when we would have done something else. Just Joel, Roy and I in that little cold room, but God will hear from any place. Bless His dear name. After a few days our needs were fully met, hallelujah!

A message from the telegraph office said for me to call there for money which proved to be from my father-in-law. I had just learned that I must leave Seattle inside of ten days from my arrival in order to get railway Trans Pacific privileges and therefore it would be necessary for me to get my ticket and leave next day. After a few minutes the bank telephoned me to call there for money, which was one hundred dollars from my sister and husband, God bless them. As soon as they received word that we had arrived back in America, her dear husband said they must send us money to come to Georgia on and got out his bank books to see how much he could send, and did all he could. Truly, they will not lose their reward. Bro. Tomlinson sent us \$200.00 from headquarters. So you see you All had a part in helping in that dark hour.

We arrived in dear old Georgia to say that they had a

great time at that Assembly. The saints shouted and shouted, and it seemed when they would begin to shout I would have to cry. I would think of my brothers and sisters over here in dark China with such struggles and burdens upon them and the many heathen who would believe and be saved if they only had some one to tell them, and how the work over here was suffering for help and I could not but weep. Even our children enjoyed the meetings very much in Alabama City. We shall not soon forget the dear ones there even though many of their names we do not remember. The precious sister who so sweetly entertained us we could not forget, although we do not remember her name and address yet I have always wanted to write to her. She was especially kind to me and my little ones as was all her family. May God bless and reward them and her husband.

From Alabama City we went to Cleveland, Tenn. Dear Brother and Sister Tomlinson received us so sweetly, as did all we met while there. I remember Sister Tomlinson had told me that we would room up stairs, and later I took up some of my things and I saw two rooms one with two double beds and I said to myself that, no, that was not for us. I looked in the next room and saw a double and single bed and thought that must be the one she meant. Later when I enquired she said no, it was the one with the two double beds. We were so tired and it seemed too good to be true to have TWO double beds for myself and three children to rest on. It just happened that some of her people were away and she could give us that room. We had a lovely sweet restful visit there with them and were so glad of the opportunity of getting acquainted with those at Headquarters. Dear Brother and Sister Llewellyn had us over to see them and made us feel so at home. Also in the large auditorium.

From Cleveland we went to a District Conference at Kannapolis, N. C. We were indeed glad to meet with all the saints there. Brother and Sister Hass entertained us in their home and were so good to us we were almost loath to leave them. I would love to say a great deal about the kindness of the different ones but time and space forbids. The Lord knows and He will reward all that was done for His glory. From there we went back to my sister's near Savannah to await the great Wimauma Camp Meeting. On our way down to Wimauma we stopped over Sunday in Jacksonville and worshipped with the saints there. We were especially glad to meet dear Brother and Sister Johnson who are such faithful workers of the Church. They were so good to us too and are doing a fine work in Jacksonville. God bless all the dear ones there.

We stopped off at Plant City to visit my sister who I had not seen in twenty years, and went from there to Wimauma, arriving the day before the meeting started. We were given the dormitory to live in and liked it fine until it began to FILL UP with people, and we were told that it would overflow by Sunday. We felt we could stand it, but being already tired and in need of rest from our term in the Orient, and much traveling and many meetings yet ahead of us, to say nothing of the journey back to China, and having no home to go to and rest after the meetings like others, God was good to give a more quiet place in the home of dear Brother and Sister Heath. If they could only make a trip of a year out here it would mean so much, I believe. We were entertained in the home of dear Brother and Sister Hippis, who with their family did all they could for our comfort. May God bless and reward them, as we realize it was not easy for people to take in a family.

From there we went to visit with relatives in South Georgia, and had several meetings with the dear ones in Valdosta, my old home town. It was so good to see the dear ones there again, but some we knew and loved so well are not there now. From there we stopped for a few days with relatives and friends in Macon, Ga. where we formerly lived and worked for Jesus before ever coming to China. Then we went over to the Alabama State Assembly where we had been invited by the State Overseer, Bro. Wilemon, stopping for a few days visit with relatives near Birmingham. Well, its needless for me to say that they had a

Brother Beagle was in a tent meeting. They were not expecting us, as most places we went we did not notify any one that we were coming for we didn't seem sure if we would get there or not. The precious sister who entertained us in her home was so good to us. Although we do not remember her name, the Lord knows and will reward her. From there we went to Akron, Ohio where the dear Lord blessed us all together. Dear Brother and Sister Cresty entertained us in their home and did so much for us, also sisters and brothers on the outside. God bless the Akron saints. We would love to get a line from some of them.

We had been traveling around so long, were so worn and the children not well, we had sores from mosquito bites and one of the children with sore eyes, so we did not see how we could go on any longer. Then it seemed so clear to us that the Lord's time had come for us to visit my precious son who is in school in Massachusetts, so we went there and had three blessed weeks with him. An old gentleman entertained us in his lovely little farmhouse where we had such sweet quiet and rest and gained sufficient strength for our return trip to China. They would only let us pay them five dollars for our stay there and have since then sent us ten. God bless them. From there we went to New York City. It was hard to leave my son, who was more than seventeen and working hard for an education. I did not let him know I felt sad, and continued to smile and be happy, but after he put us on the train and left us the hot tears flowed freely. That night in New York as I kneeled by my bedside praying, I thought of my son I was leaving and began praying for him. I felt I can't go back to China and leave him and began to weep. I jumped up from my knees at once, ceased praying and put it all behind me. I love him most dearly, would love so much to see him and think of him a great deal but the dear Lord has given me victory since that night. Bless His precious name! Pray for my son, dear ones. He is very precious to me, and if our Lord tarries he will be in the work here in China. He is so capable, has real ability, the Chinese all like him so much and he speaks their language so fluently. He wants an education and has been working very hard to get it. May God truly crown his efforts with success and may he be ready when Jesus comes.

Dear Brother and Sister Homer Tomlinson were so kind and helpful to us and we were so glad to meet them and be in their home. From there we went to Detroit, and if all the other saints will pardon me, it seemed that the dear Lord had reserved the best for the last. It would be hard to tell about the good time we had in Detroit and what all the saints did for us there and name the different ones, etc, and get this letter off on the next boat. But I must say that we cannot thank Sister Amos Brown and her husband and sweet sister enough for looking after us so tenderly while in their home. Dear Mother Floyd, whom we met before we came to China the first time and who helped us all along during those days, was also there and did so much for us. Besides the liberal Church offering, dear Mother Floyd felt it would be so hard for us to go all the way to Vancouver in a day coach, so gave me twenty-five dollars to be used for me to have a sleeper with the babies, which was more than enough. In telling another Brother, the clerk of the Church, about it he took out five dollars and handed it to me, besides what he had given in the collection. Most precious of all was Brother and Sister Swan's help. She had just come into the Church and he, making no profession whatever, felt to buy our tickets from there to Chicago for us and pay for them himself. He was not satisfied with one pullman berth for us and just would get us two, which certainly proved to be the will of the Lord, as we were so tired we were sick. He and his dear wife spent out much more money

on us, I suppose not less than thirty dollars in all. Truly God will bless and reward them, and although he was not then a brother in the Church he certainly was one to me. Praise God. Sister's Reah and Smithgal did a great deal for us, and all the dear ones there. We were so glad to see Brother and Sister Haynes up at Port Huron, where we went as a side trip from Detroit. They are still in the battle and gaining great victories. Praise God.

It was precious to have the Detroit saints, several of them, accompany us to the train, and in the name and for the whole Church of God, tell us good-bye and bid us God's speed on our journey back to China. I'll not take time to tell you of the stop over in Chicago, and the tremendous amount of business to be attended to which, humanly speaking, could not have been accomplished in such a short time, but God so marvelously worked and things went off beautifully. The long trip across the continent to Vancouver, how wonderfully God undertook and the sweet friends we met who were such a help, then in Vancouver where wonders were really accomplished in His name. Hallelujah!

I must now stop and say good-bye to each and every one of you and send this to Brother Llewellyn and ask him to please find space in the Evangel for this, if possible, and you must each one accept it as a personal letter to YOU.

Lots of dear love.
Your sister in Jesus,
Jennie B. Rushin,

A CLEAR SKY

M. S. Lemons

The shadows and clouds, mist and fog has at last been blown away by the breath of Almighty providence and power. Clouds that hung low and almost obscured the light of love and peace has at last been carried into the back grounds, and rest before the vision as a spectacle of wonder. Death, doubt, disappointment and fear has been moved so far away that hope and joy, sunshine and gladness has filled every nook and corner.

The hearts of the happy pilgrims are filled with jubilant songs and the sunshine of joy and gladness. Truth has so beautifully illuminated the way that the hearts of the pilgrims are made glad. New visions of radiated rapture is brilliantly dawning upon the once supposed rough and thorny way.

Hearts are being made glad, confidence is being restored and hopes of a better day is upon us. Why should we not rejoice; heaven's blessings are ours; success and honor awaits us. All we need is to keep our heads above the waves, and look for the golden lining to the once dark cloud of doubt and fear.

We are now entering upon new duties and new fields of labor. Our liabilities are not so great. We are not financially embarrassed as before. The good hand of providence has lifted the great burden of debt and responsibility. Thank God for new visions of love and light, beauty and grandeur, hope and glory. We go forth with renewed energies of love and light, beauty and splendor, power and truth, confidence and courage. All honor be to Him who died for us.

WANTS TO ATTEND BIBLE SCHOOL

Dear Evangel Readers:
I am glad and thankful that I am still in the Church that the Lord told Peter He would build, and that the gates of hell should not prevail against. Glory to God.

The Bible School reflects a dear memory to my mind. Let us as school boys and girls, hoist our flag and let our lights shine for the school. I do not know whether I will get to attend the school this winter or not, but dear students, if I am not in school my prayers will be for you night and day. I remember the blessings that I received while in school last fall, and how I loved the students and teachers. It makes me think, Oh will I be missing next term.

I would like to read a letter from all who will be in school. Your brother in the work,
Walter F. Willis,
Covington, Tenn.

WELCOME ADDRESS

(Continued from Page 1)

thanks. I look toward the head of the table and this venerable old patriarch, the father of the faithful, with uplifted hands begins to thank God for the homecoming of his big family, which is now as the stars of heaven and the sands of the sea for number, and closes by asking God's blessings on the occasion. What follows is almost too sacred to undertake to describe.

The orchestra of heaven will lay aside their instrument of music, angels and arch angels will drop their crowns of gold, cherubim, seraphim and all heaven is awed in silence as Jesus girds Himself and begins to serve His honored Bride. When He comes to my plate, What will I do? Oh glory! I can say no more about this.

After the supper we will be conducted to the great auditorium of heaven, the temple of the new Jerusalem. It needs no light of the sun, moon or stars, it needs no candle, for God is its light.

A service is arranged. The old choir who has so long furnished the music steps aside and a little lad of ruddy complexion mounts the rostrum. I ask his name and am told it is little David. With a clear, strong voice he announces a new song, a song never heard before in heaven—the song of Moses and the Lamb. His fingers glide over the keys of his harp of gold, and the sweetest music ever heard fills the place. The whole Assembly joins in the chorus and forms a big choir as we sing of redeeming grace.

I seldom dance or shout, but I feel like on this occasion I will lose all control of myself, run up and down the long aisles of that big auditorium and it will be the greatest moment of my life.

I want to be there. Don't you? Well, if we keep coming to this one, I believe we will get to go to that one, don't you?

REPORTS FROM THE FIELD

Our prayer meetings are still going on at Gray Eagle, W. Va. I praise God for the many who have been saved and baptized with the Holy Ghost at this place. Three have received the baptism of the Holy Ghost in the last two weeks. Pray for us. John Stanley, Grey Eagle, W. Va.

Jesus confirmed His Word with signs following in Akron, Ohio. We have just closed a three weeks meeting here. Our district overseer, L. G. Rouse of Toledo, Ohio was with us two weeks. The Lord wonderfully blessed him in preaching, also in healing. Many were wonderfully touched by the healing power of Jesus. Praise His holy name. One was saved, two sanctified and one added to the Church. Reports D. G. Phillips, clerk, Akron, Ohio.

We closed a twelve days meeting at Joplin, Mo. Sept. 11. The Lord worked in a wonderful way and is still working. There were two saved, four sanctified, two filled with the Holy Ghost and six added to the Church of God. The saints were wonderfully revived, and some were healed by the mighty power of God, as well as many other manifestations of the Spirit.

Brother John Burk did most of the preaching, while Bros. J. M. Viney and E. M. Mead were present with their help. Reports, C. A. James, clerk.

We have just closed a meeting near, Star Station, eight miles from Live Oak, Fla. We set a Church in order, with six members. All have the Holy Ghost except one. Some more to come in later.

I appointed Sister W. H. Miller secretary and treasurer, and Bro. W. S. Hewitt, class leader and deacon. They expect to build a house of worship soon. Bro. Miller gave the land to build on.

There is good interest at this place and many are looking this way. All pray for the little band there, that they may grow in grace and keep humble. Writes, W. A. Sullivan, Bradford, Fla.

Brother W. T. Green and Brother Reagan Allison, have just closed a meeting at this place. Brother Allison did most of the preaching. One was saved, one sanctified and one received the Holy Ghost.

We observed the Lord's supper and feet washing, and God gave us a good time. Saints came in from Kingston, Alcoa, Maryville, Sevierville and Burlington.

We are standing as one for the Church of God and the ten Elders, and the Lord is blessing us in a wonderful way.

The dear Lord is admonishing us to stand true to Him a little while longer, for He will soon come to take us to Himself. Bless His dear name. Reports, Eliza Hicks, Townsend, Tenn.

I want to report victory for the Church of God in Texas. We have just had our State Conventions which proved a great success. We held a three days meeting at Paris for the eastern part of the state, and also three days at Weatherford for the western part. Brother H. N. Scoggins, our State Overseer, was in charge of the meeting at each place. The Lord surely did bless in every service. This was our first effort in a State Convention and we are encouraged to have more.

We are pleased with our Overseer and desire to have him another year. The Church is moving forward in Texas.

F. M. McLendon,
Point, Tex.

On Sept. 8th we began a meeting one mile South of Winona, Miss. under a large arbor. The meeting began Saturday night. Brother G. G. Williams of Glaston preached the first sermon. We were expecting Brother Z. D. Simpson, but he did not reach us until the meeting had run for a week. Sisters Nellie Lovett and Maggie Free were doing the preaching until Brother and Sister Haynes came. Brother Haynes preached one night and Sister Haynes one night. The meeting continued with growing interest until Brother Simpson came, which was Saturday night. He brought the messages with power, and people fell in the altar for prayer. We had one saved, three sanctified and one filled with the Holy Ghost. Eternity alone will reveal the good that was done. People came up and acknowledged they had hard things about the holiness people, and that they were ignorant of what they were doing. The crowd was immense the last night. It was estimated 2,000 people were present. Five were added to the Church of God. We had a wonderful time. People here now feel better towards the holiness people, for which we praise God.

Your brother in Christ,
J. H. Vance.

On the 29th of September we left home for Ehren, Fla. and had services there Saturday night and Sunday. The Lord set His approval on every service.

On Sunday night grandma Cooper came into the Church. She is about 70 years old. It was wonderful how

the power of God was manifested, when her face shown almost as that of an angel. She had never been a member of any organization until she came into the Church of God. It seemed the entire Church was wonderfully blessed. Glory to Jesus.

On Monday we went to Hudson, Fla. and began a revival. The Lord was in every service there. We gave out the Word with all the God given power we had. Some backsiders were reclaimed and the Church wonderfully edified. A closer fellowship with the saints could be seen and felt.

On Tuesday night there were three back into the church who were once members. Glory to Jesus. There was conviction on most every sinner present, and outsiders said it was the best service they were ever in.

Brother and Sister Clark assisted in the song service and altar work. Reports, Evan C. Merritt and wife.

Sister Maggie Free, assisted by Sister Nellie Lovett and Sister Willie Maud Standard, just closed a meeting at this place. Sister Virdya Webb, the blind girl, was our musician. Other workers came in occasionally.

God blessed and His power was manifested in a marvelous way. The signs followed believers and there was shouting, dancing, talking in tongues, handling of fire, and healing the sick. Even T. B. and chills went before the mighty power of God.

Several souls were saved, six sanctified and three received the baptism of the Holy Ghost with the Bible evidence according to Acts 2:4. The saints were built up and edified.

The second Sunday of this meeting will be a memorable day with our people, because of the wonderful time we had with the Lord.

Brother Roy Blackwood delivered quite an interesting sermon at 11:30 A. M. subject, "Bearing His name," and five were added to the Church.

A large crowd witnessed the baptismal service at the close of the meeting, when five followed the Lord in water baptism.

At the close of the morning service the photographer, of Greenwood, made a picture of the old Brush Arbor and all present.

Kimble Lake is a new Church just set in order in last June, and it is six miles west of Cleveland, Miss. There are some true saints here and we are standing firm for the Church of God and her doctrines. The offerings and gifts for the workers at this place amounted to about \$112.00.

There is great work to be done here yet. Pray for us. Reports, Willie Maud Standard, Charleston, Miss.

Just closed a three weeks meeting at Gate City, Ala. We had a hard fight, but won the victory in the name of Jesus. Fourteen were saved, sanctified and filled with the Holy Ghost.

The saints danced and talked in tongues, and the altar was full in most every service. Hundreds gave their hands and said they were not satisfied with what they had, but wanted a deeper experience of grace.

The devil was stirred and our tent was burned, but praise God, we never lost a service. We had another tent in about three days and continued to fight the battle.

The work is established there and we believe it will stand till Jesus comes back to earth after His Bride. Praise God. The people are looking this way, and we are praying that many souls may come into the dear old Church of God.

We expect to go from here to Hellenbass Mines and run a meeting. This is another new field. Reports F. K. Watson and wife, 707-3rd St., Pratt City, Ala.

We praise God for what He has done for Sanford. We have closed a nine weeks meeting at Sanford, Fla. The Lord gave the victory and about forty received the baptism, besides those who were saved and sanctified. Twenty-five followed the Lord in water baptism. Twenty-seven were added to the Church. The devil worked mightily but we praised God that He was almighty. Many were miraculously healed.

The first woman healed was Mrs. Forham, who could not walk. The doctor had been attending her. She had given up to die and called for the saints to pray for her. Praise God.

About two hundred others were healed. God gave the victory in each case. Special mention is made of Sister Sheldonia Sapp, the pastor's wife, Brother Elmo Bronson, and Sister Addie Bryant, who were seriously ill and God wonderfully raised them.

There came in to us a man from Center Hill who had leakage of the heart. Several doctors had given him up and God wonderfully healed him.

We praise God for Brother Griffins and his little band of six who were with us in the latter part of the meeting. They were members of the "Church of the First Born," and two of them became members of the Church of God. We hope Brother Griffins will soon come into the Church. He worked many miracles. Some of his prophecies came true the same day he prophesied them and others came true later.

We want to praise God for our little eight year old sister, Lecta Carter, who received the baptism and prophesied in tongues and was the cause of many looking this way. We praise God for what He has done, what He is still doing and what He is going to do.

We had a vision of the dear old Church of God, which is located on

the top of the mountain and all others seem to be flocking into her;

We praise God for Sanford, and we thank Him for the people who would throng the church nightly and daily to hear the Word, and to see. God worked in the midday meeting. As many as six received the Holy Ghost in one day.

We praise God for our dear beloved pastor, Brother G. C. Sapp, who stands and is known everywhere as the "Holiness Preacher." We praise God for all things.

From a sister in Christ,
Susie Ruker.

Illinois State Meeting

This meeting was held at West Frankfort, Ill. Sept. 21-23, 1923. Bro. D. P. Barnett, Overseer of Ill., in charge.

The meeting began Friday morning, and closed on Sunday night. The Lord blessed our Illinois ministers in giving out the Word. We are all for the Church of God with headquarters at Cleveland, Tenn. Illinois sure has something to be proud of. All her ministers are standing firm for the Church of God.

On my! how our hearts did rejoice Sunday morning. The Eldorado, Ill. brass band came over and rendered such excellent music.

Right now I must say Hurrah! Hurrah! for the Church of God in Illinois!

Sarah Bowyes, clerk,
309 W. Maine St., W. Frankfort, Ill.

Rally Day Report

Our rally day program was carried out on Oct. 7th, and was a great success. People began to gather at 8:00 A. M. and by 9:30 the house was full to overflowing. After music, songs and prayer, Brother Letsinger taught the Sunday school lesson from the platform.

We then had exercises by the children, consisting of songs, drills, and recitations which were appropriate and very impressive. Sister M. Martin, Sister Lula Smith and Mr. York gave some special music on the organ, violin and guitar which was greatly enjoyed by all.

We were glad to see so many visitors from different places: Crab Orchard, Harriman, Knoxville, Concord, Philadelphia, Sweetwater, Hiwassee and probably other places.

After the Sunday school exercises Brother Letsinger preached a sermon on True Giving, text Jno. 2:5, which stirred the hearts of the people, opened up pocket books and resulted in the church debt being paid with several dollars over. The power of the Lord was manifested and the saints shouted, danced and talked in tongues. Praise the Lord!

At 12:30 dinner was served and every one enjoyed a feast of good things to eat.

At 2:30 P. M. the Dedication service was held. Sermon by Brother Letsinger, Scripture readings 2 Chron. 2:1-6, Deut. 20:5, 2 Chron. 2:4. The house of worship was given to the Lord with uplifted hands at 3:00 P. M. The Lord blessed in a wonderful way.

Songs and testimonies ended the day's program. Two were added to the Church.

We thank everybody for their good attention and their liberal offering, and extend to all an invitation to come again.

Who Shall Be Able to Stand

Only those who have been saved, and have washed their robes in the blood of the Lamb. Only those whose garments are without spot or wrinkle will be ready to go with Jesus when He comes. "If the righteous scarcely be saved, where shall the ungodly and the sinner appear?"

To profess to know Jesus in His fullness means much. We must be sanctified from the world, and abstain from the appearance of evil. Paul says, "that women adorn themselves in modest apparel with shamefacedness and sobriety; not with broided hair, or gold, or pearls, or costly array; But, (which becometh women professing godliness) with good works." Then we should not put on low neck and short sleeve dresses, but dress as becometh the children of God, so when the unsaved folks look at us they will know we are God's children zealous of good works. Hallelujah for victory over these things.

I am glad that I was shown through the word of God, what it means to have Jesus in His fullness. "Strait is the gate, and narrow is the way, which leadeth unto life." We must become small, and keep humble and obey His commandments, then He will lead us into a deeper life in His service.

The sanctified heart brings love, joy, peace, faith, hope, meekness, and long suffering.

The baptism of the Holy Ghost

endues us with power for service,

power to cast out devils and lay

hands on the sick that they may re-

cover; and brings to our remembrance

the things Jesus said and did. The Holy Ghost is my teacher to lead me into the deeper things of God. I am glad I counted the cost and paid the price.

I will take a sanctified heart and the baptism of the Holy Ghost to enable us to stand.

Let us pray more for one another, Bertha G. Shideler, evangelist. Muncie, Ind.

REQUEST

Please pray that my husband will get full salvation and be what the Lord would have him to be, and that my children will come into this holiness way. Mrs. Bud Hunter, Sparta, Tenn.

TESTIMONIES

"YE ARE MY WITNESSES"

I want to sound a note of praise this morning for what the Lord has done for me, and how He is still blessing me. I thank Him for the dear old Church of God at this place, and that I am still saved and sanctified.

I am thanking God this morning for His mighty keeping power, and for the blessed Holy Ghost. I am in the Church of God, where I mean to stay, by the help of the Lord.

Up until last June 7, I went among the world and wondered which church was the right one. At last I learned of the Church of God and its rules and foundation.

I have been enjoying salvation for nearly seven years. I have now come into the Church of God. I love her and mean to stand for the truth. I want to ask all of the saints everywhere to pray for me, that I may be an overcomer to the end.

A sister in Christ,
Mrs. Ethel Daniels,
Gainesville, Fla.

I want to sound a note of praise this morning. I praise the Lord that I still have the Holy Ghost, still love the saints everywhere, and what I say unto one I say unto all. "Watch" Saints cheer up. Let us stand right to our post and help to fight this battle until the last enemy is destroyed.

This is my first testimony. I want the saints to pray for me to stand true to Jesus until He comes or calls me.

Annie Phillips,
1617 Columbia St., Louisville, Ky.

Glad I am still saved and on the run for glory. I want to sound a note of praise through the Evangel. I am glad that I can report victory over the devil. I saw myself a sinner, then confessed my sins and asked God to forgive me and He did. Praise His name.

I thank and praise God for sanctifying me through the precious blood of Jesus, and for giving me the Comforter, which is the Holy Ghost. He abides with me and keeps me from sin.

I praise the Lord for saving, sanctifying and baptizing me with the Holy Ghost.

I received the baptism of the Holy Ghost at Baker's Cross Roads, September, 1922, and was then added to the Church of God, with headquarters at Cleveland, Tenn.

There are only two of us at this place and we have a hard battle to fight.

Husband and I held prayer meeting at the White County jail for four months, but the sheriff turned us out because he and the town people did not believe in holiness. Pray for me that I may stay true and at the foot of the cross.

Mrs. Bud Hunter,
Sparta, Tenn.

We have a good church, good Sunday school and prayer meeting here at Spanish Forte.

We thank the Lord for sending Brother J. O. Hamilton here. He preaches for us once a month. We

are expecting to have a revival soon. Pray that my strength fail not and that my husband will be sanctified and filled with the Holy Ghost.

Myrtle Ketteman,

I want to sound a note of praise for God's healing power.

I have been troubled for a long time with a dreadful pain in my side, which would keep me in bed sometimes two and three days. Some of my friends insisted on me seeing a doctor, but I trusted the Lord. The saints prayed for me and I was delivered of a stone, which brought relief and I am giving God the glory. Pray for me that my faith fail not.

Mrs. H. Seth,
Alta, Mo.

I am praising God for what he is to me. I have been an invalid for seven years. A friend of mine sent me some Evangelists and I enjoyed them. I was very sick the other night and took one of the papers and laid it on my head and believed Jesus and He healed me. What a wonderful Savior we have.

I am fifty years of age and my husband is seventy and he is picking cotton to support us. I wish I could send you some money, but perhaps next time I can.

Mrs. A. Nixon,
Caruthersville, Mo.

I am praising God for full and free salvation. I am still saved, sanctified and the Holy Ghost still abides. The longer I stay in this way the better I love it.

I belong to the Church of God with headquarters at Cleveland, Tenn., and believe with all my heart it is right. There has been a doubt in my mind for a long time which side was right, but the Lord showed me very clearly that if we followed after man, we would fail.

I am glad that Jesus is my healer. A few weeks ago my baby took very ill with pneumonia and we called our overseer and pastor to pray. Some how we couldn't get the victory at first but as we held on to God He delivered him.

We trusted God for her until He saw fit to take her home. Her body was laid to rest in the Hagen Cemetery to await the coming of Jesus.

We read in the Word, "Blessed are the dead which die in the Lord, from henceforth, yea, saith the Spirit, that they may rest from their labors, and their works do follow them." Rev. 14:13. We believe that Brother Lisenby was fully prepared to meet Jesus, as he was always loyal to God and His Church.

He was laid to rest in the Greenough Cemetery at Hebron Church to await the soon coming of Jesus.

We extend our deepest sympathy to the wife and four small children who are left to mourn his death.

Funeral service was conducted by Brother W. L. Reynolds and the remains were laid to rest in the Holly Springs Cemetery to await the resurrection morn.

We grieve not as those who have no hope; for we know our loss is heaven's gain.

A friend, Hester Reynolds,
Carolton, Ala.

SHAW

On Sept. 25th, 1923, the death angel visited the home of Brother and Sister Shaw and took their little daughter, Mary Amanda, age 5 years and 6 months. It was sad for them and the family to give little Mary up, and she will be greatly missed, as she was such a kind and loving child.

The remains were laid to rest in the Matchet Cemetery to await the coming of Jesus. Weep not loved ones, for she is resting;

On that bright and happy shore, And we expect to meet her, On that glad morning where parting will be no more, God then shall wipe all tears away. Their pastor, D. B. Fussell,
Webster, Florida

MOORE

On Oct. 10, 1923, the death angel visited the home of Brother and Sister W. B. Moore and called their precious little baby girl, Minnie Pearl, home to be with Jesus. She was a sweet, happy faced baby, and always had a smile for everybody. She was only three months and thirteen days old.

We briefly explained that tithe paying was confirmed and practiced under the law, yet it had its origin centuries before the law was brought into effect, and the inference is that tithe paying was a practice from the time of

11:15 A. M. A Biblical explanation of tithe and tithe paying by M. W. Letsinger, using for his text Lev. 27:30-31. "And all the tithes of the land, whether of the seed of the land, or of the fruit of the tree, is the Lord's: it is holy unto the Lord. And if a man will at all redeem ought of his tithes, he shall add thereto the fifth part thereof."

12:00 M. We will be loyal. The pastor briefly stated that there were many loyal tithe payers at Harriman.

He recalled a statement made by him at the beginning of the year, saying,

he expected every member of the Harriman church to pay all their tithe into the church treasury this year. He stated that all had not yet

done this, but he still expected it of them before Oct. 28th, which is the last Sunday in this pastoral year. And should any fail, he would then allow his confidence to be broken. He stated that he had great confidence in his church until they proved traitors and then he served the Bible penalty. But he firmly believed that all would be loyal.

12:00 P. M. Songs and prayers.

Many praised God for His wonderful blessings.

7:15 P. M. Praise service.

7:25 P. M. Song by choir.

7:30 P. M. Cheerful giving, an address by G. W. Durham.

The speaker brought forth some precious truths, on Cheerful Giving, in which he said, "It is more blessed to give than to receive," and to ask one to give was opening the channel of blessing. Those who sow sparingly, reap sparingly. Let us sow bountifully and reap a rich harvest.

7:45 P. M. Our opportunities. A liberal offering was laid on the Bible.

8:00 P. M. Deep spirituality, by M. W. Letsinger, using for his text, 2 Pet. 3:18. "But grow in grace, and in the knowledge of our Lord and Savior Jesus Christ. To Him be glory both now and forever."

Abraham paid tithes to Melchizedec. This surely was a former practice, or he would not have taken it up so readily.

Many Scriptural truths were brought forth by the speaker. He quoted 1 Cor. 9:7, "Who goeth a warfare any time at his own charges?"

He mentioned the boys that served in the world war. They did so at the government's expense. They were to fight the enemy, and were not expected to look after their support.

Even so it should be with the minister of the gospel. The laborer is worthy of his hire, and woe to those who neglect paying their tithes, and so doing rob him of his food, and the necessities of life. Many enjoyed this discourse, which was very instructive.

5:15 P. M. The Bible answer as to where we should put our tithes, by Bertha Hadsack. The speaker read Mal. 3:10. "Bring ye all the tithes into the store house, that there may be meat in mine house; and prove me now here with, saith the Lord of hosts, if I will not open you the windows of

Now deep spirituality avoids all this. We need to grow in grace and become more like Him. Several asked for prayer that they might go deeper yet in Him. Service closed with prayer.

We feel sure that this was a good day in Harriman. We have some "True Blues" here.

A Good Day in Harriman, Tenn.

The Lord is still blessing in Harriman.

In Jas. 2:18-20 we find these words, "Yea a man may say, Thou hast faith, and I have works: Shew me thy faith without thy works, and I will shew thee my faith by my works. Thou believest that there is one God: thou doest well: the devils believe and tremble. But wilt thou know, O vain man, that faith without works is dead?"

You may talk of old time power, but we will never have it in its fullness, till we obey God. That is what brings lasting effects.

God is no respecter of persons, but sometimes some only want to pay tithes when they know that the money goes to those ministers they especially admire. This displeases God and condemnation is the result.

Obey God without respect of person and see the results. God understands just where it is needed.

There should be no question as to where God wants us to put our tithes. He plainly tells us in His Word and should we fail in this we bring the disapproval of God upon us.
